15. Multidisciplinary / interdisciplinary

The goal of national education policy is to deliver high-quality instruction that meets international standards, while also promoting diversity in all curricula and pedagogies and utilising new technologies in the teaching and learning process. Our institute affiliated to university Rani Channamma University and we are following guidelines of the university. The university has started moving in the direction of NEP and provides environmental studies and community service. In addition to offering subjects like environmental studies value-based education, our institution has been involved in CBCS credit-based course systems and projects in the areas of community engagement and service, environmental education, such as yoga day celebration women's day celebration, and those. The curriculum at our institute, which adheres to RCU rules, provides many exits by specialising each course and offering various OEC options each year. By doing fieldwork, project work, seminars, case studies, and special lectures, our college has arranged a number of programs about new concerns and challenges of societal concerns in the light of NEP 2020, assisting our students in engaging in a variety of research activities.

16. Academic bank of credits (ABC):

Government of India has taken the initiative to promote Academic Bank of Credit in the view of NEP 2020. "Academic Bank of Credits" means an academic service mechanism as a digital entity established by University Grants Commission to assist students to become its academic accounts holder, thereby it is paving the way for seamless students mobility between or within degree granting HEIs through a formal systems of credit recognition, credit accumulation, credit transfer and credit redemption to promote distributed and flexible teaching learning.

As per NEP2020 guidelines the university has initiated measures regarding academic bank of credit. But it's still in its early stages. Institution is not registered with ABC and only universities can be registered to use multiple doorways. Work is underway towards seamless cooperation in the field of research activities with universities. Regarding the educational approach of materials and textbooks, learning management systems are adopted and used to

ensure a certain degree of flexibility.

17.Skill development:

India has a unique demographic advantage more than 60 percent of population is in the young age group. Skill development is basic aspect for job creation, but in order to get employed this young force critical aspect of skill development our institute provides the platform to enhance the much needed skill for students. As per the current survey statistics only 10 percent of youths are employable. The rest are in need of enhancing their skill sets to get employed in the corporate field. To bridge the gap between the degrees and the skill sets required by the corporate world our institution has entered MOU with the largest organization in India to empower rural youth to enter into the MNC's by Deshpande Skilling center.

Scheduled training programs have been arranged by the institute like Personality Development and employability skills by RUBICON, placement cell training programs, workshops and required skills are imparted through competitive exam lectures and webinars. Additional skills are enhanced through drama enacting .We celebrate commemorative days, International women's day, special lecturers on value based education, humanistic values, ethical and moral values.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The affiliated university started and is continuing to teach the Indian knowledge system in the curriculum. Different topics on Indian folklore, custom, and culture are covered in the curriculum, preserving and advancing the indigenous knowledge system. The institution offers a variety of cultural and traditional programmes about India, such as a cultural festival and traditional days. All other subjects are mainly taught by teachers in Kannada and English bilingual mode.

We telecast live shows on august 15, January 26 November 1 etc, we also conduct various competitions to integrate Indian knowledge system. We engage various historical visits, field visits apart from the curricula institute offers certificate courses in English and kannada language. Through traditional day we promote Indian culture and tradition especially lambani folklore and language.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Outcome-Based Education (OBE) is the buzzword in Indian higher education today. It is being adopted at a fast pace in various colleges at the moment. OBE is considered as a giant leap forward to improve the quality of higher education; particularly ICT based education and help the graduates compete with their global counterparts. The affiliated university has created a solid plan to revamp its OBE curriculum, and the institution is adhered to it. The institute offers career counseling, a soft skill training programme like personality development and employability skills, special lectures, etc. in addition to the curriculum. The college also signed a memorandum of understanding with Deshpande Skilling Center Hubli, the biggest soft skill training facility in India. The college is also in association with Ranga Aradhana Sanskrithika Sanghatane which imbibes theater skills and helps students to become professional artists. The institute provides a variety of certificate programs that aid our students in both their employment and further education. Various sports training are provided relating to events/games to build their career in army, police department, sports, railway department and conduct mock parliament for students to encourage become good politician.

20.Distance education/online education:

Our institute doesn't offer distance education. The college has all the necessary infrastructure and essential tools to offer online education and this was extremely useful during the Covid-19 pandemic. The institute was highly successful in offering online classes through online platform such as zoom, Google meet.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Our Institute is affiliated to Rani Channamma University Belagavi. College offers 05 UG programme i.e., four in BA and one in B.Com. For these programs and courses; the institute followed the curriculum designed by our affiliated university. The Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution and the same are communicated to the students in the formal way of the discussion in the classroom and departmental notice board. After measuring attainment of POs , PSOs and COs, it has been observed that the strength of the students as well as passing percentage of the students is increasing progressively. Besides, students' progression to the higher studies that is from UG to PG seems to be increasing consistently and rapidly in the last five years. In a similar way, the ratio of students' placement is also increasing. We took utmost care of measuring the level of attainment of POs, PSOs and COs and followed formal as well as informal mechanism for the measurement of attainment of the outcomes. Even we took feedback from all the stakeholders in this respect and try to take necessary steps accordingly. Subsequently, the College took care of the attainment to measure the POs, PSOs and COs

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

A well-defined mechanism is in force for financial audit to have discipline and transparency in financial management. The accounts of the institution are subject to internal and external audit. Internal financial audit is carried out by Internal Auditor appointed by the Management with objective to suggest improvement or strengthen the overall governance mechanism of the education society. The purpose of internal audit is not only to examine books of accounts but also to review the present working and make valuable suggestions to improve it. The main objective of internal audit is to assure the Management that the accounts are being properly maintained and the system provides adequate safeguards for

detection and prevention of any frauds. The latest internal audit was conducted in the year 2020-21. External Financial Audit is carried out by Statutory Auditor appointed in the Annual General Meeting of parent education society. The external audit is carried out by competent Chartered Accountant. During the last five years, there are no major objections. We have a mechanism for settling audit objections: The institution has three tier structures for settling audit objections viz Accounts Assistant, Head of the Institution and Management of parent education society.
